The Best Yet.

The Majestic Theatre has one of  
the best sets of pictures on its pro-  
gram this week that it has ever  
shown. The managers have arranged  
to change their program twice every  
week, changing on Mondays and  
Thursdays. This will give the public  
a chance to enjoy two evenings in  
one week.

The pictures shown last night were  
unusually good, the two feature pic-  
tures being "All Aboard" and the  
"Train Wreckers." Each of these is  
worth the small price of admission.  
Go and have a good hearty laugh. It  
will do you good.

Denver Interested in Judge Welter

Robert T. McClung, as special cor-  
respondent of the Denver Post, has  
received a request for a picture of  
Judge A. J. Welter, and a story of

election, in which he, a shoemaker,  
defeated three attorneys and four other  
candidates for the office of justice  
of the peace.

## The Right Kind of Knocking

It is hard to think of any kind of knocking  
that is the right sort, but when opportunity  
knocks at your door with a gilt edge invest-  
ment it is different. Think quick in a case  
like that block of Hondo land I offered you—  
240 acres, titled, clear and ready for the  
place, close in. It is a rare opportunity for  
profitable investment—the kind that has  
made many Roswell men rich. The land  
will double in value this year. Cash preferred  
but can arrange terms for you.
